ABOUT NIT CALICUT

The National Institute of Technology Calicut (NITC) is a prestigious technical institution located in Calicut, Kerala, India. Established in 1961 as the Calicut Regional Engineering College, it was designated as an Institute of National Importance in 2002 and subsequently renamed as the National Institute of Technology Calicut. The institute, situated at the foothills of the Western Ghats, offers a picturesque setting just 22 km away from Kozhikode city. NITC is widely recognized for its academic excellence in engineering, technology, and sciences at undergraduate, postgraduate and research levels.

ABOUT THE CONCLAVE

The Research Forum at NITC has been a pioneer in organizing research conclaves in India, fostering academic exchange and innovation. The inaugural edition, Research Consellate (ReCon), was conducted successfully in 2023, and the second edition, Research Conclave on Global Transformation (ReConGT), was held from April 19–20, 2024. Building on the success of previous editions, the third edition—Research Conclave 2025: Innovate, Include, and Inspire for a Sustainable Future (ReCon iii), scheduled for September 25–27, 2025—reaffirms its commitment to advancing research that aligns with the United Nations Sustainable Development Goals (SDGs).

By emphasizing innovation, inclusion, and inspiration, ReCon iii will explore cutting-edge advancements across diverse disciplines, from pioneering sustainable technologies and intelligent systems to progressive policy frameworks and inclusive development strategies. The conclave aspires to be a catalyst for meaningful change, fostering academic excellence and contributing to a more equitable, resilient, and sustainable future.

CULTURAL NIGHT

All accepted papers will be published either in Conference Proceedings (SCOPUS- Indexed book volumes) or will be recommended to special issues in reputed journals for publication (IEEE, Elsevier, Wiley, Taylor and Francis, Sage or Springer)

ReCon iii is framed around the theme "Innovate, Include, and Inspire for a Sustainable Future", reaffirming its commitment to advancing research that supports the United Nations Sustainable Development Goals (SDGs). Spanning three days, each day of the conclave will focus on one of the core themes: 'Innovate' on Day 1, 'Include' on Day 2, and 'Inspire' on Day 3, with sessions and discussions aligned with the United Nations SDGs. This edition places special emphasis on SDG 4- Quality Education and SDG 17- Partnerships for the Goals, seeking to promote inclusive, equitable learning environments and to strengthen collaborative frameworks across institutions, disciplines, and sectors.
